

# Possible sources for funding

**Prof. Dr.-Ing. Armin Hafner**  
Professor Refrigeration Technology  
NTNU, EPT  
7491 Trondheim  
Norway

# Potential sources for public funding

Department of  
Science &  
Technology,  
Government of  
India

सत्यमेव जयते

# Multilateral Fund

for the Implementation of the Montreal Protocol

The Research Council  
of Norway

## Typically (Competence building project):

- 80% funding from RCN
- **20% cash funding from industrial partner**

NORWEGIAN MINISTRY  
OF FOREIGN AFFAIRS

NORWEGIAN EMBASSY

## Potential sources for funding

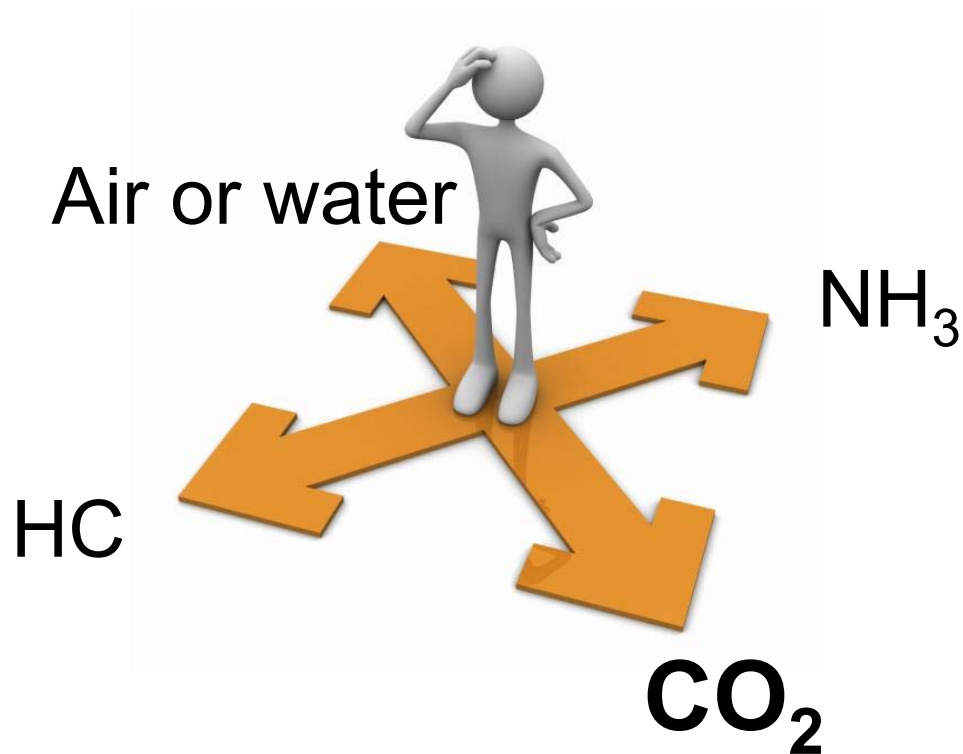

Funding provided by industrial partners  
(cash or in-kind) will release additional  
public funding.

Industrial contribution is a proof for authorities  
that there is a real demand / need for such a project.
